Jane Hason Design provides the creative designs and craftsmanship backed by 29 years of experience in the business.

Get exactly the seat cushions and throw pillows you want.

Call us with your measurements and we'll tell you how much of your chosen fabric to send. You can also ship your old cushions to us to be recovered or duplicated. Because each item is made uniquely for you, especially when we use your fabrics, all items must be ordered by phone. Please expect us to ask you to double-check your measurements! We want to be sure to get it right!

These are custom made products and cannot be returned; therefore all measurements must be confirmed.

All cushions & pillows are made with zippers. Seat cushions use high quality four-inch foam. The chair pads are one inch foam.

OPTIONS

Cushion corners can be tucked or edged with piping. The piping can be of the same fabric or another that complements or contrasts.

Our solid cotton fabrics in classic white, tan, and two shades of denim have been selected to wash and wear well. Swatches are available upon request.

Our two patchwork patterns use hand-made, pieced, and quilted comforters.
